

Participant Waiver and Required Media Release

The blank attendance form for accepted participants and their parent or guardian when the participant is under 18.

Version 2026-09-23 | Last updated September 23, 2026

This form is completed only after acceptance. School or TDSB forms may also be required.

1. Participant and Event

I request permission to participate in Jackson Hacks 2027 on February 20, 2027 from 8:00 a.m. to 10:00 p.m. Eastern Time at A. Y. Jackson Secondary School, 50 Francine Drive, North York, Ontario. I have reviewed the Terms and Conditions, Privacy Notice, Code of Conduct, and applicable Prize Rules.

2. Eligibility and accurate information

I confirm that the participant is currently enrolled in Grade 9, 10, 11, or 12, or an equivalent high-school program, and that information supplied to Jackson Hacks is accurate. I understand that material misrepresentation or failure to follow Event rules can result in removal or disqualification.

3. Ordinary Event risks

I understand that participation may involve ordinary risks associated with a busy public event, including slips or falls, illness, food reactions, crowds, travel arranged independently by the participant, use of personal electronic devices, loss or damage to belongings, fatigue, and the actions of other participants or third-party vendors.

Jackson Hacks does not provide transportation, a hardware hub, soldering equipment, or other hazardous tools. Participants may not bring or use unsafe equipment without written approval and supervision.

4. Safety and conduct agreement

The participant agrees to follow the Code of Conduct, venue rules, school policies, and reasonable directions from Organizers and supervising personnel; to avoid unreasonable risks; and to report hazards, injuries, harassment, or emergencies promptly. Weapons, alcohol, illegal drugs, violence, and unsafe activities are prohibited.

5. Food, allergies, and medical needs

Food may be prepared or served by third parties. Jackson Hacks will make reasonable efforts to communicate dietary options but cannot guarantee an allergen-free environment or prevent cross-contact. The participant is responsible for reviewing available ingredient information, asking questions, carrying required medication, and taking appropriate precautions.

In an emergency, I authorize Organizers or supervising personnel to contact emergency services and seek reasonably necessary care when the participant cannot provide instructions. I understand that Jackson Hacks does not provide medical advice and that the participant or guardian remains responsible for medical costs to the extent permitted by law.

6. Departure and transportation

Jackson Hacks does not provide transportation. Participants arrange their own arrival and departure. A participant under 18 must sign out before leaving and may leave unaccompanied only when advance guardian permission below authorizes it.

7. Required media release

I understand that photography, video, audio, livestreams, interviews, and project demonstrations are part of the Event and that agreement to this media release is required for in-person attendance.

I grant Jackson Hacks and authorized school personnel a non-exclusive, royalty-free permission to record and use the participant's name, likeness, voice, interview statements, and images of the participant and their project for Event documentation, reports, school-community communications, websites, social media, print materials, and promotion of Jackson Hacks or future Jackson Hacks events. This permission is worldwide and continues after the Event, but it does not transfer ownership of the participant's project or authorize materially deceptive, defamatory, or unlawful use.

I understand that published material may remain available after removal is requested because of archives, third-party sharing, or printed copies. Requests concerning future use may be sent to ayjacksonhacks@gmail.com.

8. Project ownership and confidentiality

Participants retain ownership of their original project work and permit access, display, demonstration, and judging as described in the Terms. The Event is collaborative and public-facing. Participants should not disclose confidential information, credentials, private personal information, or material they do not have the right to share.

9. Assumption of risk and limited release

I voluntarily accept the ordinary and inherent risks described in this form. To the maximum extent permitted by Ontario law, I release the Jackson Hacks Organizers, supervising personnel, volunteers, mentors, judges, and Event service providers from claims arising solely from those ordinary and inherent risks, except to the extent caused by gross negligence, wilful misconduct, or a responsibility that law does not permit to be excluded.

I accept responsibility for damage or injury caused by the participant's intentional misconduct, unlawful conduct, or reckless disregard of clear safety instructions, subject to applicable law.

10. Acknowledgement

I have read and understood this form, had an opportunity to ask questions, and sign it voluntarily. I understand that a participant under 18 cannot attend without the parent or guardian authorization below. This form does not replace any additional form required by A. Y. Jackson Secondary School or TDSB.

Signature information

Complete this section only after acceptance. Use additional space if needed. A parent or guardian must sign when the participant is under 18.

Participant full legal name

Participant date of birth

Participant email

Participant phone

Emergency contact name

Emergency contact relationship

Emergency contact phone
